

Name: Edward Schernau

Class of works: I am writing in support of Class #1 (Copy-Protected CDs):
Sound recordings released on compact disc ("CDs") that are protected by
technological protection measures that malfunction so as to prevent access on
certain playback devices.

Summary:

Disc name: Ben Fold's Live

I would like an exemption for copy protected CDs, because the CD I purchased
would not play on my PC. The CD I purchased will play on my stereo system
only. I work on the PC a lot, and I prefer to listen to the music that I have
legally purchased while working on the computer.
